HISTORY OF UNDERCOVER T GRAPHICS

いまだに記憶が曖昧なまま、今年か来年でUNDERCOVERをスタートさせて25年が経ちます。
経歴上は1990年スタートとしていますが、まぁそれはそれで良しとしましょう。
いずれにしても25年前、僕は文化服装学院の学生でした。
在学中、友人とUNDERCOVERという冠をつけ、T-SHIRTのデザインでスタートを切りました。
今でも鮮明に覚えていますが、高円寺の駅構内に貼ってあった某団体の指名手配写真を剥がし、
それを2人でコラージュした作品が、記念すべきUNDERCOVERの第一作です。
それから数年、まだコンピューターも普及していなかった時代ですので、
コンビニでコピーしたグラフィックを、文字どおりハサミと糊で切り貼りし、インレタでワードを配置し、
でき上がった版下を画材屋でT-SHIRT用のシルクスクリーンにしてもらい、
アパートの部屋でコツコツ一枚ずつ刷り続ける毎日を過ごしていました。
自宅での作業なので、シルクスクリーンを洗うのは自ずと風呂場。
やっと風呂なしのアパートから夢の風呂つきへと引っ越したものの、浴槽はヘドロ状態 …… それも今となってはいい思い出です。
そんな作業と同時進行で服作りも忙しくなり、東コレに参加し、会社を設立し、パリに発表の場を移し、現在に至るわけですが、
今でも毎シーズンかなりの量のT-SHIRTをデザインし続けています。
この本を出版するにあたって、過去の膨大なデザインをすべてチェックしたのですが、その数は軽く1500を超えていました。
もちろんコレクションブランドとなった今、服でのクリエイションはいうまでもなく重要です。
しかしそれと同じくらいT-SHIRTのデザインは、僕の脳内を表現する手段として重要なエレメントなのです。
服で抽象的なイメージをデザインし、T-SHIRTでより具体的なクリエイションを表現する。
可愛らしさ、美しさ、醜さ、アイロニー、ユーモア、哲学 …… それらを織り交ぜ、創り出す世界観。
25年という節目に、その集大成を皆様にお届けすることになったわけですが、ここから何かを感じとっていただけたら幸いです。
これからあと何年、いくつのデザインをお届けすることができるか見当もつきませんが、
よりMADなクリエイションを発表できるよう、モード界のT-SHIRT伝道師としてがんばりたいと思います。
そして、最後にUNDERCOVERが終わるとき、スタートと同じようにすべて手作業のT-SHIRTデザインで、
有終の美を飾れたらいいな〜なんて思ったりもしています。

高橋 盾

My memory is very vague, but it will have been 25 years this year or next year since UNDERCOVER started.

Officially, I made 1990 the year of the launch. I think it is just OK. Anyway, 25 years ago, I was a student at Bunka Fashion College. Together with my friend at school, I made a start with a T-shirt design with a crown in the shape of the word "UNDERCOVER." I still remember vividly that we took down a "most-wanted" photo of a person belonging to some organization on the premises of Koenji station, and jointly collaged it. This was the memorable first work of UNDERCOVER.

For a few years after that, since the computer was not widespread yet, we printed T-shirts using manual labor. We copied graphics with a copy machine at a convenience store, cut the copied graphics with scissors and pasted them, and arranged words with dry transfer lettering. Then we brought the finished artwork to an art store to have it silk-screened for T-shirts. We diligently printed T-shirts one by one in our apartment every day.

Since the workplace was our apartment, the bathroom naturally became the place to wash silk-screens. Although we finally were able to move to an apartment with a bathroom, which we had dreamed of, we soon filled the bathtub with sludge. This is a good memory now.

Concurrently with such tasks, we became busy with dressmaking. We participated in the Tokyo Collections, founded the company, and moved our showroom to Paris, and many things followed up until now. Even now, I design a good amount of T-shirts every season.

On the occasion of publishing this book, I checked all of the many and varied designs from the past, and I found they easily surpassed 1,500 in number. Now that UNDERCOVER has become a collection brand, creation with dresses is important, needless to say. However, designs on T-shirts are just as important to me as a way to express what is in my brain. I design abstract images with dresses and express more concrete creation with T-shirts. Loveliness, beauty, ugliness, irony, humor, philosophy… Interweave them and create a worldview.

On the milestone of 25 years of history, I have the honor of providing you with a compilation of my work. I am happy if you will feel something from it. I just have no idea how many designs I will be able to create in how many years from now, but I want to endeavor as a "prophet" of T-shirts of the fashion world so that I can release madder creations. When UNDERCOVER ends, I think it would be nice if I can bring it to a successful conclusion with T-shirt designs that are made all manually just like when it was started.

HANDLE WITH CARE.

Ever since they first came into contact, the uncanny *Graces and Human Beings have kept at a watchful distance from each other. Although sometimes Graces seem hostile towards humans, tense situations seldom build-up into open confrontation. *GILA*** -a secretive organization that is shrouded in mystery, the closest to the Graces- has played a crucial role to foster a stable relationship between both species. So far, they have coexisted rather well....**

***Graces :** White, fluffy creatures with luminous eyes. Generally peaceful towards humans, they might become defiant due to their territorial nature. It is advised to keep at a cautious distance from them.

****GILA :** The sole organization that has succeeded to breed and protect Graces through interaction with them. All members are said to require special qualifications. As the legend goes, GILA might stand for any -or all-of the following: Grace of Inspiration and Lasting Adoration, Grace of Industry and Luster of Ashes, Grace of Imagination, Locomotion and Admiration.
